

WBR Qualification Schedule for 2019

We will be starting February 1st

All Qualification Events shall be scheduled and approved by the Deputy Commander or designee prior to being shot. All Qualification Events will be posted by email no later than one day in advance to afford all Blues the opportunity to participate in the Approved Qualification Event. The Deputy Commander or designee shall appoint a Qualification Officer for each Approved Qualification Event. Qualifications fired without approval will not be considered official. Any two members, including those related by blood or marriage, may qualify one another, subject to all Qualification Rules, providing all targets fired are presented to the Deputy Commander or designee prior to the next skirmish.
